Python (Day 39) Flight Deal Finder After Action Report

Why do I need This map?
- what mistakes I made
- what can I improve

What was Expected?
- 1 Day Challenge
- completing the challenge with slight difficulty

What actually occurred?
- a challenge I did for 10 days
  - with a break most of the time
- I had to check the answers
  - because of my mistakes

What went Well, and Why?
- I managed to complete the task
- I recorded myself programming, which motivated me

Potential improvements
- sticking to a routine
- recording/explaining when I have difficulties
- filling new days regularly
- reward upon completion
